

Mr. Chairman

~~Madam~~ Chair / Committee Members

My name is Kevin Trombley, I am 10 years old.

I have been diagnosed with A.D.H.D., anger issues, along with behavior problems. I attend the Blackfeet Po'Ka Program. Which I enjoy very much.

The program has a Leap Frog System, that helps me with my math and reading.

I'm learning how to play stick game, speak Blackfeet, along with learning how to ride horses. I'm also getting along with other children.

Thank You for supporting the youth and please continue supporting the System of Care ~~Bill 65 and 66~~ ~~1775~~ ~~2273~~
